***The Mayers lived in Uhersky Brod & had 7 more children as mentioned in the family tree below. As far as we know all including partners & children assassinated by the Nazis during the holocaust except their son Max who died at 2 months old.***

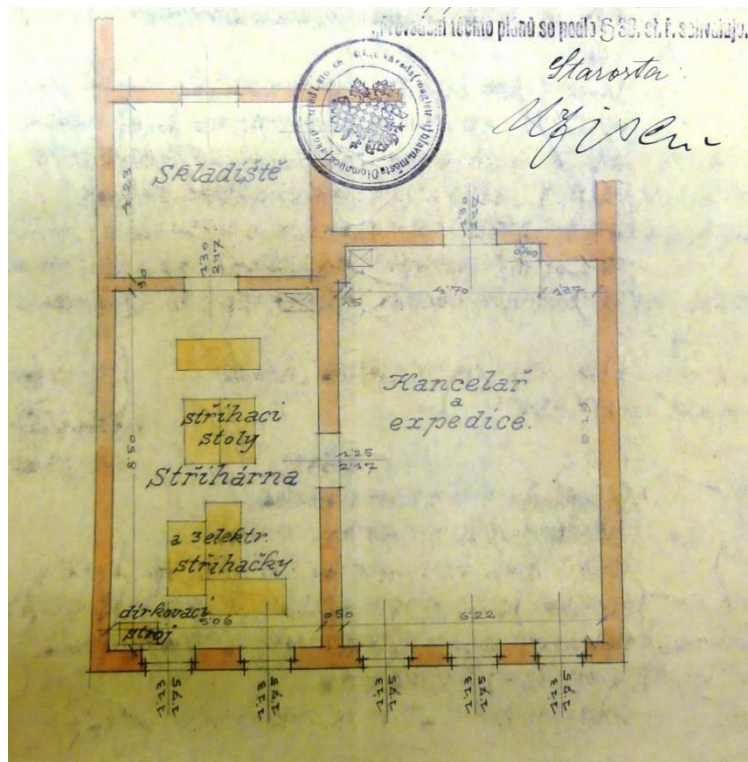

### **The Mayers Family tree**

***At mature age Viktor left Uhersky Brod to Olomouc where he got some education in the textile industry & was hired by his future father in law to work with him in his textile firm "Moric Haas" children clothing manufacture. The firm's actual address is Nesverova 693/1 - but at the time before the Holocaust the street was named Masarikovo Nam 6- "German Industrialists building".***

**During his job & due to skillful success he became the manager of the firm & got socialized with Moric Haas & his wife Ernestina Hassova born Pilzerova- met their daughter Else Elishka & they got married at 11/09/1921.**

### **Wedding Pendant**

***Our mother born Eva (Evichko) Mayer (later Chava Fisher then Chava Reshef - חוה רשף) , their only child was born 17/02/1928 in Olomouc.***

***The family lived a comfortable upper middle class life. After Eva was born the ownership of the company was transferred to Viktor by his father in law who was getting old.***

***Ernestina died 24/11/1917 and buried in Olomouc graveyard (Jewish section) plot 1219.***

***The Mayers & Moric Haas lived together in Olomouc in what is today Videnske Street 663/3 (before the Holocaust the street was named Dvorakova 3). At home the telephone number was 483 & 484 at work.***

***Moric died 22/01/1939 and buried in Olomouc graveyard (Jewish section) plot 1220.***

***Sometime around 1940/41 but before 13/01/1941 the "Moric Haas" clothing company was closed due to Nazi regulations the family found themselves deported to the town of Holice at Svobodi 22 where they lived from hand to mouth until deported together with a large number of Jewish families to Ghetto Terezin. Transport AAo from Olomouc to Terezin on 08/07/1942 Prisoner Nr. in Transport 473.***
