## **A t t e n t i o n !**

**The products listed below may be found on the Czech market and were listed on foreign kosher lists in December 2023. Those products are not under the supervision of the Prague ´s Rabbinate and it is up to you if you rely on the hechshers.**

**Note that if a product is listed in a particular country´s list, it needs to be produced in that country (if not indicated differently), therefore it is up to you to check the information about the country of origin on the package.**
